

Course Description: <Building Code Compliance for Construction Supervisors outlines code compliance fundamentals, including understanding statute law in Ontario, reading and understand the Ontario Building Code Act and the Ontario Building Code (the regulations), permit and inspection process, various roles and associated responsibilities for Code implementation, occupancy procedures, reports and records. Part 1, 2 and 3 of the Ontario Building Code is emphasized. Course participants are introduced to public domain resources for enhanced learning and implementation in daily work routines. The certified course is of particular interest to construction site supervisors and foremen or those aspiring to these positions. Other construction service industry professionals such as Architects, Engineers, OCET/AATO, and developers as well as building and fire department inspectors, plan reviewers and other Building Code Enforcement employees may benefit from course participation. Attendees with 80% or better attendance will receive a certificate, suitable for framing. All course material is supplied. You will require a copy of the Ontario Building Code, this can be purchased through Orderline 1-888-361-0003
