

Enhance your Subcontractor Billing and Compliance Management with Textura

The Ontario General Contractors Association has recently signed a Strategic Partnership agreement with Textura Corporation as an endorsement of their collaboration solutions.

Textura is the leading provider of collaboration solutions for the construction industry, and is committed to delivering fully integrated solutions that increase General Contractors' productivity and maximize investment.

Textura offers collaborative solutions that enable contractors to dramatically enhance automation throughout the project life cycle. In this session, Textura will provide a demonstration of the Textura Construction Payment Management (CPM) application.

Attendees will be exposed to best practices for payment application processing, statutory declaration collection and compliance management.
