## **Mission Statement**

To promote the OGCA education objectives to the construction industry.

## **Objectives**

1. To provide the construction industry with a recognized standard of educational excellence for construction personnel.
2. To develop and monitor OGCA courses to meet the changing demands of the construction industry.
3. To interface with the CCA Gold Seal Program for certification of Project Managers, Estimators and Superintendents.

## **Methodology**

To accomplish its objectives the Committee should operate as follows:

1. Meet quarterly.
2. Have a typed agenda for each meeting and circulate minutes as soon as possible after each meeting.
3. Report to OGCA Directors at Board of Directors' Meetings.
4. The committee will consist of members who show a keen interest in education, and will include representatives from major disciplines of the construction industry.
