Mission Statement

Assist OGCA member firms to eliminate incidents, injuries and fatalities from construction jobsites, and promote the health and safety of workers.

Our Vision

Acquire relevant Health and Safety resources for use by OGCA members.

Provide OGCA members with current Health and Safety information and reference materials relating to legislation, hazard alerts, best practices and training programs for management, supervisors and workers.

- Provide member companies with networking and educational information distilled from the accumulated experience of the OGCA peer group.
- Make support systems available to construction industry stakeholders through a Health and Safety information center.

Process

- Support and promote the Certificate of Recognition (CoR).
- Maintain an OGCA Safety Committee consisting of members from both large and small firms as well as an OGCA staff member.
- Preset meeting agendas to reflect current Health and Safety issues, progress reports of ongoing projects and reports from WSIB, IHSA and MOL.
- Develop subcommittees to research and report on specific issues.
- Liaise with WSIB, IHSA, MOL and other industry associations to provide the most current and comprehensive information available.
- Continuous improvement.
- Provide timely articles for the “Generals” magazine.
- Communicate as often as necessary with the OGCA membership.
- Report regularly to the OGCA Board of Directors.
