

**President**  
**Ontario General Contractors Association**

The President of the Ontario General Contractors Association (OGCA) advances member interests for the largest Association representing General Contractors in Ontario and among the largest in Canada. The position requires a leader who is passionate about construction, and who engages people personably and proactively.

As OGCA's operational leader, the President reports to the Board of Directors and oversees a highly capable team of six employees. The current focus of the President's role involves contracts; government policy; leadership on key issues including safety, tendering, and worker supply; marketing and promoting OGCA; fostering a responsive service culture that is renowned for its commitment to members; and overall strategic plan implementation.

The President will bring senior level leadership experience and business acumen with hands-on skills across the management spectrum. He or she will have a deep understanding of the Construction Industry and the business of OGCA members, preferably complemented with knowledge of how effective Associations work. The position requires an individual with gravitas and presence, with the diplomatic skills to build consensus among strong personalities. Negotiating and persuading skills are integral to the role.

Candidates are encouraged to visit the OGCA website ([ogca.ca](http://ogca.ca)) to further understand the Association's mission, structure, and other relevant details.

Qualified individuals are invited to apply by December 1, 2019, in confidence to:
