

COVID-19 – Health Screening for Trade Partners

Last updated March 28, 2020

Please note this is a live document and will be revised regularly based on new information.

Health Screening

Effective April 1, 2020 Mattamy management is required to complete this health screening for all trade partners prior to allowing them on Mattamy sites. As the health and safety of our employees, customers and trade partners are Mattamy's top priority, trade partners who do not provide accurate information in this screening will be disallowed access to site. All personal health information will be held in strict confidence by Mattamy management.

Manager Confirmation:

The trade partner has reviewed and agreed to comply with the Health and Safety policies (including social distancing and hygiene practices) for Mattamy site operations.

If **YES** was answered to any of the above questions, the trade partner is not permitted access to Mattamy sites at this time. Please ask the trade partner to review the government advisories around self-isolation and complete another health screening after the isolation period is complete. Please consult with Human Resources if there is uncertainty regarding isolation.

PLEASE NOTE: It is the manager's responsibility to retain original copies the health screening form on file for all trade partners working on Mattamy sites. Managers may be asked to produce this document for review by Human Resources.
