Provincial Government Bills *1st Session, 42nd Parliament*

Most Recent Sitting was May 19, 2020

Next Sitting Scheduled for June 16, 2020

Bill 31, Efficient Local Government Act, 2018

(Minister of Municipal Affairs and Housing)

This Bill is essentially identical to Bill 5 with the additional clause to overcome the Superior Court of Justice Ruling on September 10, 2018 that the Act as it affects the City of Toronto violates the Canadian Charter of Rights and Freedoms and is therefore null and void.

- Second Reading debated September 17, 2018.

Bill 171, Building Transit Faster Act, 2020

(Minister of Transportation)

This bill is intended to expedite the planning and construction of 4 rail transit projects, namely the Ontario Line (formerly referred to as the downtown relief line), the Scarborough Subway Extension (to Scarborough Town Centre), the Yonge Subway extension (to Richmond Hill) and the Eglinton Crosstown West Extension (from the unfinished western terminus of Mt. Dennis station to the Toronto International Airport. The bill would exempt the projects from certain development permit requirements within the respective corridors so that things that pose a danger to construction can be removed immediately, things that pose an obstruction to construction can be removed more quickly. The Bill will also eliminate the need for certain expropriation hearings that would otherwise impede the projects.

- First Reading carried February 18, 2020
- Second Reading debated February 24, 25, 26, March 3, 2020,
- Second Reading Carried on division March 3, 2020 and ordered referred to Sanding Committee on Social Policy.

Bill 186, Employment Standards Amendment Act (Infectious Disease Emergencies), 2020

(Minister of Labour, Training and Skills Development)

This bill (consisting of only 4 pages) amends the Employment Standards Act, 2000 to grant the right to workers to have a leave of absence without pay due to being ordered to remain in isolation or quarantine due to the Covid-19 pandemic, or if the worker is needed to provide care or assistance to prescribed individuals or any other reason prescribed by the regulations. The regulations can have a retroactive impact. The statute came into full force and effect as of March 19, 2020.

- Royal Assent received March 19, 2020.

Bill 188, Economic and Fiscal Update Act, 2020

(Minister of Finance)

This bill provides specific forms of financial assistance to Ontario businesses and residents, including: raising the threshold upon which Employer Health Tax is paid from \$400,000 to \$1,000,000 for the 2020 fiscal year. This Act came into force on March 25, 2020.

- First Reading carried March 25, 2020;
- Second Reading carried March 25, 2020;
- Third Reading carried March 25, 2020;
- Royal Assent received March 25, 2020.

Bill 189, Coronavirus (COVID-19) Support and Protection Act, 2020

(Minister of Education)

This bill provides certain relief measures and time extensions under a variety of statutes, including time extensions for development charge by-laws under the Development Charges Act, 1997; allowing the Minister of Municipal Affairs and Housing to make regulations under the Planning Act to deal with the Covid crisis; and an extension of repayment terms under the Education Act.

- First Reading carried April 14, 2020;
- Second Reading carried April 14, 2020;
- Third Reading carried April 14, 2020;
- Royal Assent received April 14, 2020.

Private Members' Bills
1st Session, 42nd Parliament

Bill 33, Rea and Walter Act (Truss and Lightweight Construction Identification), 2018

(Pettapiece, Randy, PC, Perth -- Wellington)

This Bill is identical to Bill 105 introduced on March 9, 2017 and progressed through to Second Reading and which was reintroduced on March 27, 2018. If passed, this Bill would amend the Building Code Act, 1992 regarding the identification of truss (wooden) and lightweight construction in specified buildings that are under construction or to be constructed. A new section 15.8.1 will require a truss identification emblem to be affixed to a building in prescribed size and location.

- First reading September 19, 2018
- Second Reading debated October 4, 2018
- Second Reading carried October 4, 2018 and referred to Standing Committee on Regulations and Private Bills

Bill 62, Protecting Vulnerable Road Users Act, 2018

(Bell, Jessica, NDP, University -- Rosedale)

This Bill would amend the Highway Traffic Act to stiffen the penalties of vehicle drivers who seriously injure or kill vulnerable road users such as pedestrians, cyclists and construction workers.

- First reading November 21, 2018

Bill 70, Registered Professional Planners Act, 2019

(Coe, Lorne, PC -- Whitby)

This Bill would impact Professional Planners by repealing the Ontario Professional Planners Institute Act, 1994, a private statute dating back to 1994, with a new public statute to regulate the planning profession. The new public statute would mandate a disciplinary investigation and sanction process for members, in a manner similar to the regulation of other professions such as architects.

- First Reading carried February 19, 2019
- Second Reading debated and carried February 28, 2019 and ordered referred to Standing Committee on General Government

Page 4 of 9

**Bill 71, Paris Galt Moraine Conservation Planners Act, 2019
(Schreiner, Mike, Green Party -- Guelph)**

This Bill would establish additional protection against any land development that might cause an adverse environmental impact within a defined region known as the Paris Galt Moraine. The legislation would also require official plan amendments for certain municipalities and municipal planning authorities.

- First Reading carried February 20, 2019
- Second Reading debated March 7, 2019
- Second Reading carried March 7, 2019 and ordered referred to the Standing Committee on General Government

**Bill 92, Labour Relations Amendment Act (Replacement Workers), 2019
(Gelinas, France NDP - Nickel Belt)**

This Bill would restore certain provisions of the 1992 version of the state that were repealed in 1995, namely to restrict business from replacing striking or locked-out workers with replacement workers.

- First Reading carried March 28, 2019

Bill 111, Speaking Out About Workplace Violence and Workplace Harassment Act, 2019

(Gelinas, France NDP - Nickel Belt)

This Bill would amend the Occupational Health and Safety Act to provide better protection for workers against reprisals for speaking out about workplace violence and workplace harassment. The amendments provide that a reprisal is any measure taken against a worker that adversely affects the worker's employment.

- First Reading carried May 7, 2019

Bill 119, Respecting Injured Workers Act (Workplace Safety and Insurance Amendment), 2019

(Gates, Wayne NDP - Niagara Falls)

This Bill would amend the Workplace Safety and Insurance Act, 1997 to ensure that any deemed earnings from suitable and available work would actually be suitable and available to the worker unless the worker refuses such employment in bad faith.

- First Reading carried May 27, 2019

Regulations

(reflects contents of the Ontario Gazette through to **June 5, 2020**)

Ontario Regulation 117/18

FAIRNESS IN PROCUREMENT ACT, 2018

This regulation was published in the April 14, 2018 edition of the Ontario Gazette. It designates suppliers of certain construction services and supplies from the state of New York as being subject to reciprocal restrictions to provide services to government agencies in the Province of Ontario, a response to restrictive legislation passed by the State of New York which prohibits certain construction services and materials originating outside of the US. The regulation will come into force upon the date that the Fairness in Procurement Act, 2018 is proclaimed into force.

Ontario Regulation 88/19

BUILDING CODE ACT, 1992

This regulation, which was published in the May 18, 2019 issue of the Ontario Gazette, implements a large number (139 pages) of amendments to the Ontario Building Code. Most of the changes came into effect on May 2, 2019 however several others came into force on January 1, 2020 and a limited number of other changes which will come into force as of January 1, 2022.

Ontario Regulation 406/19

ENVIRONMENTAL PROTECTION ACT, R.S.O. 1990

This regulation, which was filed on December 4, 2019 but has not yet been published in the Ontario Gazette, establishes a new regulatory framework for the management (including the sampling, testing, handling, storing, transporting, treatment and placement) of excavated soils and the conditions under which such soils are or are not regulated as a waste. The new regulation is also part of the establishment and operation of an excavated soil registry accessible by the public which will allow searches of registered soil movements and the sites from which such soils originated. As the majority of construction sites involve some form of excavation, the new regulatory framework for excavated fill and soils will, as it is phased into force, with several sections coming into force on July 1, 2020 and other sections coming into force on January 1, 2022, January 1, 2025 and January 1, 2026.

Ontario Regulation 408/19

ENVIRONMENTAL PROTECTION ACT, R.S.O. 1990

This regulation, which was filed on December 4, 2019 but has not yet been published in the Ontario Gazette, amends the General Waste Management Regulation, Ontario Regulation 347 to establish new definitions for the terms “excess soil” and “liquid soil”. These amendments are an integral part of the Ontario government’s establishment of a new regulatory framework for the management (including the sampling, testing, handling, storing, transporting, treatment and placement) of excavated soils and the conditions under which such soils are or are not regulated as a waste. This Regulation comes into force on July 1, 2020.

Ontario Regulation 409/19

ENVIRONMENTAL PROTECTION ACT, R.S.O. 1990

This regulation, which was filed on December 4, 2019 but has not yet been published in the Ontario Gazette, amends Registration of Waste Management Systems Regulation, Ontario Regulation 351/12. These amendments are an integral part of the Ontario government’s establishment of a new regulatory framework for the management (including the sampling, testing, handling, storing, transporting, treatment and placement) of excavated soils and the conditions under which such soils are or are not regulated as a waste. When excavated soils are managed in a prescribed manner, they are exempted from certain sections of the Environmental Protection Act. This regulation comes into force on July 1, 2020.

Ontario Regulation 449/19

OCCUPATIONAL HEALTH AND SAFETY ACT, R.S.O. 1990

This regulation, which was published in the January 3, 2020 issue of the Ontario Gazette, amends the Control of Exposure to Biological or Chemical Agents Regulation O. Reg 833 (R.R.O. 1990) and comes into force on July 1, 2020.

Ontario Regulation 82/20

EMERGENCY MANAGEMENT AND CIVIL PROTECTION ACT

This regulation, which was filed on March 24, 2020 and published in the April 10, 2020 issue of the Ontario Gazette, is the formal instrument requiring the closure of non-essential businesses. This regulation came into force on March 25, 2020. Under this regulation most construction sites were considered to be an essential business, including transit projects, hospital projects, core infrastructure projects and most residential construction projects. This regulation was subsequently amended by Ontario Regulation 119/20, 165/20 196/20 and 200/20.
